

## Dear Manor Borough Residents,

Republic Services continues to be Manor Borough's exclusive trash hauler and will be your E-Waste hauler beginning Wednesday, April 1, 2015. Your trash collection will continue every Wednesday, with all trash being placed at the curb no later than 6 a.m. Wednesday.

Republic Services, the second largest provider of services in the domestic non-hazardous solid waste industry, is excited to be handling this new service for you.

**GUIDELINES FOR TRASH COLLECTION:** Trash should be in properly secured containers up to a 40-gallon capacity weighing no more than 50 pounds or plastic bags that do not exceed 32 gallons in capacity and not weighing more than 50 pounds. Bulk material (brush, tree or shrub trimmings including Christmas trees, carpeting, etc.) shall be cut in 4-foot lengths and tied in 18-inch bundles, weighing not more than 40 pounds. Small shrubs will be picked up in one piece if they are within the specified limitations.

Furniture and/or appliances or other listed items shall be picked up on the regular collection day in one piece. Appliances containing refrigerant such as refrigerators, freezers, air-conditioners, dehumidifiers, water coolers, or any other similar appliance will only be picked up if the item has a sticker certifying the refrigerant has been removed.

Cardboard must be broken down so it is flat and no more than 3 feet in length or width and tied in a bundle.

Empty paint cans and/or dried paint is acceptable. Air dry the paint or soak up any excess paint with newspaper or kitty litter. Lids should be left off paint cans.

Construction debris is not to exceed a maximum weight of 50 pounds and must fit into 40-gallon containers with the lid closed.

**COLLECTION SCHEDULE:** Residents are to have their trash at the curb by 6 a.m. each Wednesday. You may place up to 15 bags or equivalent number of containers and no more than 1 bulky item at the curb on collection days.
